

What's the first thing you use water for in the morning?

Imagine a Day Without Water

How would you brush your teeth if there was no water?

Imagine a Day Without Water

What would happen if your sinks at school didn't work?

Imagine a Day Without Water

How would you cool down after recess without water?

Imagine a Day Without Water

What would happen to flowers with no water?

Imagine a Day Without Water

How would you stay clean without a bath or shower?

Imagine a Day Without Water

If water had a voice, what do you think it would say to people?

A large, empty rectangular box with rounded corners and a blue border, intended for writing an answer to the question above.

Think about how you used water today:

1

What was the most surprising way you used water today?

2

What are some ways you could save water tomorrow?

3

Why is water important to your life?

My Water Day!

Use this worksheet to help you track all the ways you use water from morning to night!

Your Name: _____

Date: _____
