Mitchell Tiner Memorial Technical Scholarship

CHECKLIST

Please use this checklist to ensure all information is complete before submitting your application. Incomplete applications will not be considered.

Qualifications:

- The student must be a member in good-standing of Aqua Water Supply Corporation or an immediate family member (i.e. reside in the same household) of an Aqua WSC member.
- Student must have a 2.0 grade point average at the time of application.
- The student must be accepted as a full-time student by either a technical or trade institution.
- An applicant may apply for additional funding in successive years so long as a minimum of 2.0 GPA is maintained.
- This funding is provided in addition to and does not supersede funding for Academic scholarships established in August 2007.

Application Process:

- Application Form
- Proof of GPA (Copy of recent high school transcript or recent college transcript)
- Two letters of recommendation: (1) Community member (2) Teacher or additional Community member or employer
- Personal Essay (250 words maximum) which describes applicant's course of study, plans for meeting educational goals, identify other sources of financial support, and state reasons why applicant would be a good candidate for award of this scholarship.
- Once completed, the application and documents can either be delivered to Aqua WSC's Main Office or mailed to Aqua Water Supply Corporation's Scholarship Committee. Applications must be postmarked by the deadline and received within five (5) business days from March 1st, 2027.
