PROPERTY INFORMATION

By execution of this agreement, I hereby acknowledge Aqua WSC's Tariff, which states in part that if two or more meters are used to provide water service to a single contiguous tract of land, Aqua shall not transfer one or more of the associated memberships if such transfer will result in service to a subdivided tract of land where all the requirements of Aqua WSC's Tariff have not yet been satisfied, including, but not limited to, compliance with Aqua's Line Extension Policy in the Tariff and the Rules and Regulations Concerning Nonstandard Water Service.

Furthermore, in the event that I subdivide the property described above into two or more tracts of land, I agree to promptly notify Aqua WSC and comply with the provisions of Aqua WSC's Tariff, including, but not limited to, the full payment of all applicable fees.
