Please note that the above listed Backflow Prevention Assembly Testers are not affiliated with Aqua WSC, this list is provided as a courtesy. **Aqua WSC neither endorses nor recommends any company or tester listed above; it is the property owner's responsibility to contact a Certified Backflow Tester of their choice and make arrangements for the testing of the backflow device(s) installed on their property.**

For license verification, visit www.tceq.texas.gov/licensing

If you choose a tester not on the above list, Aqua WSC requires the following documentation along with the maintenance report:

- 1. TCEQ BPAT License**
- 2. Gauge Certification Report or Backflow Test Gauge Certificate of Calibration**

If you are a certified backflow tester and would like to be added to the list, please email:
compliance@aquawsc.com
