RECONNECT POLICY

Aqua Water Supply Corporation's Tariff prescribes the policy and fees to reconnect water service after it has been disconnected. The fee requirements for reconnecting water service are listed below, but are subject to change with revisions to the Tariff. The latest revision of the Tariff remains the legitimate declaration of fee requirements to reconnect water service for an account.

1. Base Fee – \$60.00
2. Re-Service Fee (\$25.15 x number months meter is inactive, not to exceed \$250.00)
3. Past Due Balance (if applicable)
4. Customer Service Inspection Fee – \$70.00
